

"Drop-in" Engines – Fast, Reliable & Profitable!

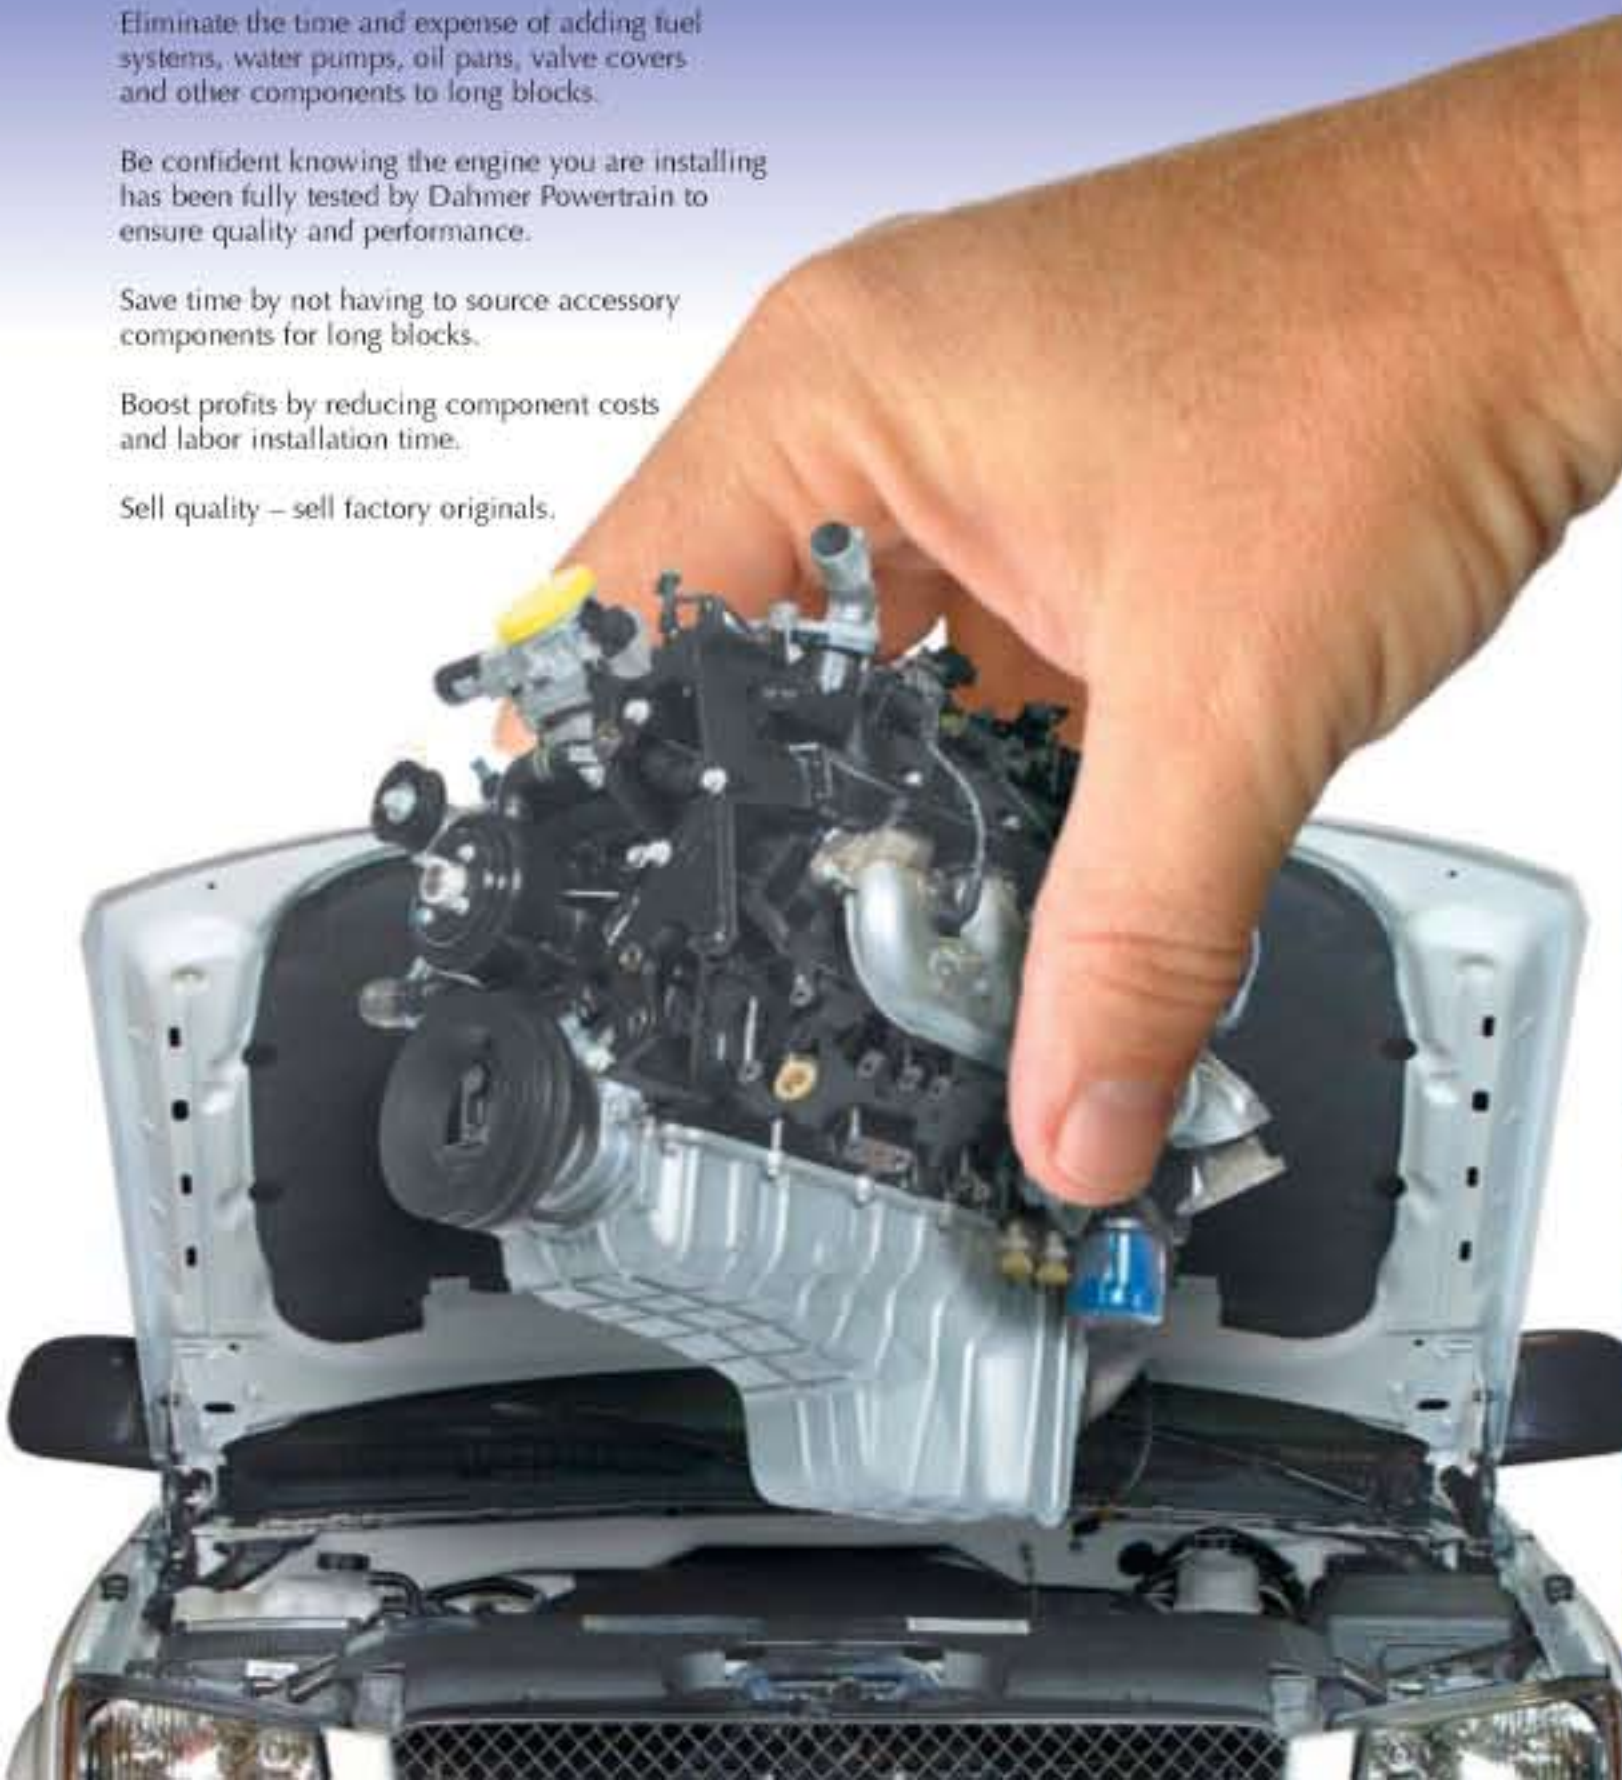

Eliminate the time and expense of adding fuel systems, water pumps, oil pans, valve covers and other components to long blocks.

Be confident knowing the engine you are installing has been fully tested by Dahmer Powertrain to ensure quality and performance.

Save time by not having to source accessory components for long blocks.

Boost profits by reducing component costs and labor installation time.

Sell quality – sell factory originals.

NEW Complete Engines for Less than Long Blocks

Why buy a remanufactured long block when you can have a new **complete** engine, including: fuel system, distributor, spark plugs, plug wires, water pump, balancer and exhaust manifolds, for less? Simply drop it in! Avoid the time, expense and hassle of adding components to a long block.

It's faster. It's easier. It's less expensive. It's only possible because of our massive buying power, and you can only get these savings at Dahmer Powertrain.

All new engines are stored in a climate controlled facility and fully tested before shipping to ensure the manufacturer's specifications are maintained.

24-Hour Shipping Guarantee

We'll ship your order within 24 hours - guaranteed! Freight costs will be included in your quote. Deliveries are generally no more than 2 to 3 days anywhere in the continental U.S. Air freight available upon request.

Rebuilt Engines that Perform like New

Yes, our remanufactured engines are that good! In 2003, we provided more than 3,000 engines to the largest fleet delivery company in the United States, and experienced less than a 1.5% warranty rate. That's quality you can count on!

Warranties that Can't be Beat

All our engine and transmission warranties are fully transferable and cover parts, labor, towing, car rental and diagnostics. Our warranty packages are flexible and can be tailored to meet your specific needs. Our remanufactured engines come with an exclusive 3-year, unlimited mileage warranty.

Friendly, Knowledgeable Staff

We've been in business for more than 28 years and much of our staff has been with us for a long time. We have a lot of experience under this roof, and it's all dedicated to taking care of you!

*From engines to transmissions,
differentials to transfer cases, and all parts in between,
Dahmer Powertrain specializes in giving you another option.*

Every type of powertrain component under one roof... at unbeatable prices!
